THE SECOND ADVENT HORROR.

Boston, May 4.—The child murdered at Poca-

set as a religious sacrifice was buried to-day.

According to a Journal special, the Adventists

expected she would be raised to life, and are

disappointed at God's failure to keep his

promise. Extremists say there was simply a

miscalculation of the time of resurrection.

Freeman's mother-in-law requested the people

not to inform the living girl, because it would

not be necessary, for Edith would be alive

on the third day. The body was in charge

of Alden P. Davis, one of the most radical of the

Second Adventists, but who did not erect the

resurrection to take place to-day. He accord-

ingly made the necessary arrangements, and

sent for a Second Advent preacher in Boston,

but the Methodist refused to allow him to

defile in their church. Trouble was antici-

ated, but the Adventist did not come. The

funeral was at 1:30 p. m., and people from

miles around gathered soon after noon. Davis

intended to make an address at the close

of the service, but was told it would not be al-

lowed, and he was told that he was making an

interruption. The small meeting-house was

filled with 250 people, while scores outside

were unable to gain admittance. On the arrival

of Davis with the hearse he refused to allow any

one to help him carry the coffin, and, walking

alone, he carried it to the grave, where he

preceeded by the minister, who repeated

words commencing, "I am the resurrection

and the life." The casket was of

plait, stained wood, ornamented with a

purple wreath of flowers. The services

long, where they were found lying in the road.

Young Link, who is about 23 years of age,

claims that he shot him in self-defense, shoot-

ing Taylor three times, two of the shots being

aimed through the body, and causing instant

death. Mr. Peavey, 38, was shot but once, the

ball passing entirely through his body, causing

instant death. Young Link then got on his

horse and immediately took him to jail at

Hillsboro. No one witnessed the affair but

young Link and his mother.

A NEGRO WHO STEALS \$20,000.

San Francisco Post.

About a year ago Superintendent Henry L.

Dodge, of the Mint, called Capt. Stone and De-

troive, John into his private office, informed

them that he suspected dishonesty somewhere

in the big building, but could not tell where,

and left them to seek out a trail for themselves.

The keen-scented brace of ferrets plunged

themselves immediately into all the rat-holes

of the building, and soon struck some hot lead.

The first lead was the first lead to the

arrest of Davis, on the 30th of last October

for the theft of some three hundred and odd dol-

lars, and the second to the capture of Eli Cook

and Stephen Alverson, of the Benana Benana

company, who were not in San

Francisco, for stealing bullion. The third lead

came to end yesterday, and resulted in un-

earthing a steal of \$20,000 in gold. The thief

turns out to be Henry Smith, a colored night-

watchman in the Mint, being now in the City

Prison.

In working up the other cases mentioned, the

two detectives discovered that Smith was sell-

ing a great deal of bullion about town. They

shadowed him night and day, and made certain

the fact, through investigation, that no bullion

was being sold by him from the Mint. They

did not spring the trap, however, as Smith

was then out of the Mint, and they wanted to

make out a clear case against him. Several

days ago, however, deeming affairs ripe for

action, they took him into custody and charged

him with the sale of bullion.

JUDICIAL.

Special Dispatch to The Tribune.

QUINCY, Ill., May 4.—The judicial canvas in

this (the Sixth) District is becoming tolerably

animated. The Democrats have called a con-

vention, to be held in this city on the 15th inst.,

for the nomination of candidates. It is con-

ceded that Judges Higgs and Shope will be

nominated, but, for the third Judgeship, there

are three candidates—Edmunds of Hancock

Sibley, the present incumbent, and Thompson,

ex-Judge of the Adams County Court. Both of

the latter named gentlemen reside in William

County. The meetings for the election of delegates

held in the several wards of the city last night,

and it is believed that Thompson has a majority.

A People's Non-Partisan Convention is to be

held at Mount Sterling on the 15th.

BLOOMINGTON, Ill., May 4.—A call signed by

3,000 voters of this county, petitioning Judge

Owen T. Reeves to be a candidate for re-elec-

tion, will be published to-morrow. There is a

strong and growing feeling in favor of retaining

the present Judge, which has been strengthened

by the very unsatisfactory Bar and Democratic

Convention held recently. The Petitioners

urge that the old Judge be re-elected.

PITTSBURG.

Special Dispatch to The Tribune.

PITTSBURG, Pa., May 4.—Political matters,

national and local, are brightening up here.

The arrangement of the Confederate Brigades in

Congress is causing the Republicans to look

around them for a suitable man to put forward

for the Presidency next year. A Sunday paper

gives the result of interviews with over 700 busi-

ness-men and prominent citizens on the subject.

Nearly 500 are in favor of Grant, the rest being

divided between Hayes, Blaine, Conkling, and

three or four others. Those favoring Grant say

the country needs a man at the head of affairs

who can distinguish between loyalty and trea-

THE CAUCUS MEET.

Special Dispatch to The Tribune.

WASHINGTON, D. C., May 4.—The bill of the

caucus does not contain the clause which the

President regarded as interfering with civil offi-

cers in the execution of their duties. The bill

will be introduced in the House to-morrow, and

referred to the Judiciary Committee. The House

decided to have it reported Tuesday and passed

without debate. It is very doubtful, however,

whether the Republicans will agree to this, as

they can easily force reasonable debate. There

seemed to be a general desire among the

managing Democrats that it should be forced

through without discussion lest the Republi-

cans should succeed in again stirring up the

House to other threats, and again cause the

party to extreme positions. There seems to

be a

GENERAL SATISFACTION AMONG DEMOCRATS

that have been able to unite on this bill, but

there is not much enthusiasm over the situation,

taken as a whole. A prominent House mem-

ber said yesterday: "The extra session has

been worse than a failure. It will inflict seri-

ous damage. Those who forced it ought to be

reprimanded as leaders. It was forced by the

House men for personal reasons alone, in

order to elect a general and the Senate

were driven into it by the place-hunters." Gen.

Chalmers, of the Joint Caucus

Committee, says to-night that all talk

about the Democrats backing down is

sheer nonsense; that they are as unyield-

ing and uncompromising in their demands as

ever, and that the bill they are about to

pass virtually accomplishes the same result as

FINANCIAL.

The clearings of the Chicago banks footed up the very large total last week of \$30,484,000 against \$18,700,000 in the corresponding week of last year. This great increase of more than 50 per cent is due mainly to the heavy board of settlements, but there are other causes at work. Real estate is more active, and Stock-Exchange transactions by Chicago speculators and investors are greatly increased. There is, perhaps, no one department of financial business in which operations have shown such a considerable development in Chicago as in stocks. The brokers are every day getting new customers. Whether it is to be denoted or not, it is obviously a fact that the tendency to speculate is increasing. The high-priced investments are not as attractive to operators, especially those of small means, as the low-priced stocks that may go at rapid bounds, like Kansas Pacific, to night markets of profit. Chicago has sent New York in the last few weeks large orders for St. Louis and San Francisco, so called because it goes to neither St. Louis nor San Francisco, Missouri, Kansas & Texas, St. Louis, Kansas City & Northern, St. Joseph, Ohio & Missouri, Washburn, and other chief stocks. A great many outsiders have gone into the market. The general financial situation has been quiet, except for the Board of Directors of the National Bank of Commerce, which has been in session for several days. The demand for loans to carry through May. Under this, rates for call loans stiffened to 7 per cent, with some transactions at 8. The current time rate is 7 1/2 per cent, with small transactions at 8 1/2 per cent. During the week the currency movement was small in all directions. In the first part of the week New York exchange was weak, in consequence of large offerings by banks that wanted currency, but by Saturday the supply had fallen off, while the demand had become sharp.

Railroad bonds were in the limelight on Thursday, consolidated second 7 1/2, and funded second 7 1/2. The Jersey Central consols were largely traded in at 97 1/2, adjustments being 101 1/2 at last. The Board of Directors of the National Bank of Commerce, which has been in session for several days. The demand for loans to carry through May. Under this, rates for call loans stiffened to 7 per cent, with some transactions at 8. The current time rate is 7 1/2 per cent, with small transactions at 8 1/2 per cent. During the week the currency movement was small in all directions. In the first part of the week New York exchange was weak, in consequence of large offerings by banks that wanted currency, but by Saturday the supply had fallen off, while the demand had become sharp.

The stock market was strong and active throughout the day, and an advance of 1/4 to 1/2 per cent was established, in which the entire lot participated. The principal activity was in Erie, Lake Shore, Washburn, Northwestern, St. Paul, and Western Union, which closed at the best figures of the day. Some of the low-priced stocks reacted sharply in the late dealing, particularly Louisville & Nashville, which declined about 8 per cent. The general market, however, closed strong in tone. Transactions, 280,000 shares; 64,000 Erie common, 8,000 preferred, 3,000 Lake Shore, 32,000 Washburn, 15,000 Northwestern common, 6,000 preferred, 15,000 Louisville & Nashville, 6,000 common, 3,000 preferred, 3,000 St. Paul, 4,000 Ohio & Missouri, 12,000 Western Union, 7,000 Pacific Mail, 1,000 Kansas City, 12,000 St. Louis, Kansas & Texas, 3,000 common, 9,000 preferred, 3,000 Louisville & Nashville, and 2,000 St. Louis & San Francisco.

Money market easy at 2 1/2 per cent. Prime mercantile paper, 4 1/2 per cent. Government bonds, 3 1/2 per cent. Treasury notes, 3 1/2 per cent. Commercial paper, 3 1/2 per cent. The weekly bank statement is as follows: Deposits, \$2,800,000; cash, \$2,800,000; loans, \$2,800,000; reserves, \$2,800,000; circulation, \$2,800,000; assets, \$2,800,000; liabilities, \$2,800,000.
